

Healthy Child Care Colorado Child Care Health Consultant Training And Pyramid Plus Training

May 12, 2011

8:00 – 4:30

Denver

Please join us to learn more about the role of the Child Care Health Consultant (CCHC) in licensed center-based early care and education programs in Colorado

CCHCs new to the role should plan on attending the whole day. The morning session will include introductory information about the role and resources for a CCHC

The afternoon session will also be opened up for those nurses already familiar with the role but whom are interested in an overview of the Pyramid Plus model in order to more effectively help early care and education caregivers/teachers work with children who have challenging behaviors.

There is a \$25.00 fee for the full day training and lunch will be provided. The cost for the afternoon only session is \$10.00. Go to <http://www.qualistar.org/child-care-health-consultation.html> to find the appropriate application.
